ADVANCED COURSE IN
Radical Pelvic & Upper Abdominal Procedures with Cadaver Dissection
NOVEMBER 4-5, 2011
ORANGE, CALIFORNIA

PURPOSE
The thoroughness of cytoreductive surgery is the largest contributor to survival for patients with advanced ovarian and primary peritoneal carcinoma. This program is designed to provide information through formal lectures, panel discussions and cadaver dissection about clinical applications and related gynecologic peritoneal surface malignancies.

TARGET AUDIENCE
This activity is designed for physicians and surgeons who practice the specialty of gynecologic oncology and surgical oncology.

OBJECTIVES
After completing this learning activity, the participant will be able to do the following:

• Describe the prognostic impact of minimal residual disease achievable through advanced cytoreductive surgical procedures.

• Discuss the advantages, limitations and indications for advanced cytoreductive surgery in gynecological practice.

• Describe the critical steps in performing advanced cytoreductive surgical procedures in gynecology.

MEETING LOCATION
The first day of this conference will be held at the Doubletree Hotel, Orange, CA. The entire second day will be held across the street at UC Irvine Medical Center in Building 55.

ACCOMMODATIONS
We urge you to make reservations early. A limited block of rooms at a special rate are on reserve at the Doubletree Hotel. The rates will be honored three days prior and three days following the course dates, based upon space availability. All reservations must be made individually through the hotel’s reservation department by calling 714.634.4500. Be sure to state you are attending the UC Irvine course in Cytoreductive Surgery. Attendees are responsible for their own reservations. The standard hotel individual reservation cancellation policy will apply to the individual reservations.

DISCLOSURE
It is the policy of the University of California, Irvine School of Medicine and University of California CME Consortium to ensure balance, independence, objectivity and scientiﬁc rigor in all CME activities. Full disclosure of conﬂict resolution will be made in writing via handout materials or syllabus.

ADDITIONAL INFORMATION
For specific information regarding Bill 1195 and deﬁnitions of cultural competence, please visit the CME website at www.cme.uci.edu.

The University of California, Irvine School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The University of California, Irvine School of Medicine designates this educational activity for a maximum of 13.0 AMA PRA Category 1 Credit(s)™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

The University of California, Irvine School of Medicine is approved for 13.0 hours of continuing education by the California Board of Registered Nursing, Provider Number: CE15508.

The University of California, Irvine School of Medicine is approved for 13.0 Category I points. This activity is in compliance with California Assembly Bill 1195 which requires continuing medical education activities with patient care components to include consideration in the applicants of cultural and linguistic competency. For specific information regarding Bill 1195 and deﬁnitions of cultural and linguistic competency, please visit the CME website at www.cme.uci.edu.

The University of California, Irvine School of Medicine designates this educational activity for up to 13.0 hours for U.S. & Canadian nurses. California nurses must state your state of residence. For specific information regarding Bill 1195 and deﬁnitions of cultural and linguistic competency, please visit the CME website at www.cme.uci.edu.

We thank Belmont Instrument Corporation for its educational grant in support of this activity.
