THE CHAO FAMILY COMPREHENSIVE
CANCER CENTER
ARE PROUD TO ANNOUNCE
THE APPOINTMENT OF ...

Ani Balmanoukian, MD

Assistant Professor of Medicine
Division of Hematology-
Oncology, Department of Medicine
University of California, Irvine
School of Medicine
Chao Family Comprehensive
Cancer Center
UC Irvine Healthcare

Appointments: 877.UCL.DOCS (824.3627)
Office: 714.456.5153 ■ Fax: 714.456.2242
abalmano@uci.edu ■ www.ucihealth.com/cancer

Dr. Ani Balmanoukian specializes in the treatment of esophageal, gastric and lung cancers. Her appointment strengthens the multidisciplinary teams of specialists treating patients with these cancers. She is enthusiastic about bringing new clinical trials to UC Irvine's Chao Family Comprehensive Cancer Center to increase treatment options to combat the devastating diseases.

Dr. Balmanoukian received her medical degree from New York Medical College School of Medicine. She completed a residency in internal medicine at Johns Hopkins Hospital and a fellowship in hematology-oncology at the Sidney Kimmel Comprehensive Cancer Center at Johns Hopkins Hospital.

Dr. Balmanoukian welcomes your referrals.

Andre Scott Jung, MD

Assistant Professor of Medicine
Division of Hematology-
Oncology, Department of Medicine
University of California, Irvine
School of Medicine
Chao Family Comprehensive
Cancer Center
UC Irvine Healthcare

Appointments: 877.UCL.DOCS (824.3627)
Office: 714.456.5153 ■ Fax: 714.456.2242
asjung1@uci.edu ■ www.ucihealth.com/cancer

Dr. Andre Scott Jung is a hematologist-oncologist specializing in the diagnosis and medical treatment of cancers of the hepatobiliary system. He is board certified in internal medicine, hematology and medical oncology. His research interests include the use of small-molecule inhibitors and targeted therapy for hepatobiliary cancers. He also treats patients with indolent lymphoma, myeloma and noncancerous blood conditions.

Dr. Jung earned his medical degree from New York Medical College. He completed his residency in internal medicine at University of California, San Diego, where he also completed his fellowship in hematology-oncology and continued his training as a post-doctoral research scholar in hematopoietic cellular signaling.

Dr. Jung welcomes your referrals.
