Postoperative acute kidney injury: Can we do anything about it?

Madhav Swaminathan, MD
Associate Professor
Clinical Director, Division of Cardiothoracic Anesthesia and Critical Care Medicine
Department of Anesthesiology, Anesthesiology—Cardiac Division
Duke University Medical Center

Thursday, Dec. 12, 2013
6:30 to 7:30 a.m.
UC Irvine Medical Center
Building 22A, Room 2107

Statement of Purpose: These grand rounds are being held to keep UC Irvine Health and community physicians and health care professionals updated on the latest treatment modalities and research in anesthesia and analgesia.

Global Objectives: 1) Evaluate diagnosis and management of common diseases seen in the specialties of anesthesiology, pain management and critical care. 2) Determine the pathophysiology of common and rare disease seen in the specialties of anesthesiology, pain management, and critical care. 3) Analyze management issues in patients with difficult airway. 4) Review of policies and procedures to better care for patients before, during, and after care.

Target Audience: The target audience for the Department of Anesthesiology & Perioperative Care Grand Rounds is attending physicians, fellows, community physicians and other health care professionals.

Accreditation Statement: The UC Irvine Health School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Credit Designation Statement: The UC Irvine Health School of Medicine designates this educational activity for a maximum of 1.0 AMA PRA Category 1 Credit(s)™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Disclosure: Dr. Swaminathan has declared that he does not have a financial interest or other relationship with any manufacturer(s) of any commercial product or apparent conflict of interest related to the content of his presentation. Dr. Swaminathan discloses that he will not be discussing the use of any unlabeled/unapproved drugs or devices.

Disclosure: Course Director/Planners Trung Vu, MD; and Phuong (Chloe) Tran have disclosed that they have no affiliations, arrangements or financial agreements that could be perceived as a potential conflict of interest. The Office of CME staff have disclosed that they have no affiliations, arrangements or financial agreements that could be perceived as a potential conflict of interest.

In compliance with the Americans with Disabilities Act, if you have any special needs, please contact Phuong (Chloe) Tran at 714-456-8744, three days prior to the meeting. This activity is in compliance with California Assembly Bill 1195 which requires continuing medical education activities with patient care components to include curriculum in the subjects of cultural and linguistic competency. For specific information regarding Bill 1195 and definitions of cultural and linguistic competency, please visit the CME website at www.meded.uci.edu/CME.
